Galvanizing according to DIN EN ISO 1461

Dear Mrs. Klingebiel,

we hereby confirm that the hot-dip galvanizing of the products of Lorowerk K.H. Vahlbrauk GmbH & Co. KG is carried out in accordance with the requirements of DIN EN ISO 1461.

All personnel and production regulations for the special hot-dip galvanizing process are carried out in accordance with DIN EN 1090-2:2018- 09 and the requirements for factory production control in accordance with EN 1090-1:2009+A1:2011 are met. Compliance with the aforementioned regulations and requirements is monitored annually by an accredited certification body.

Our quality management system is certified in accordance with DIN EN ISO 9001:2018 and our environmental management system in accordance with DIN EN ISO 14001:2018.

With kind regards

P R O B A U
